

About Us

Happy Land Islamic Studies is a club for children aged 5-15. Focusing on making learning about Islam an enjoyable experience for the kids, we include games, nasheeds and projects in our curriculum to promote fun-learning about Qur'an, Sunnah, Hadith, Arabic, Du'as etc.

Our teaching style is comprised of all three types of learning. Auditory, visual and kinesthetic. This is to make sure that every child is comfortable and can understand all aspects of Islam easily, embracing its beauty against the jeers of the surrounding Dunya.

We make sure that we are not constantly spoon-feeding information to the students, but are teaching

*Allah's Messenger [SAW] said:
"Whenever some people gather in one of Allah's houses (mosques) to recite the book of Allah and study it among themselves – then calmness (tranquility) descends upon them, the angels surround them, mercy covers them, and Allah mentions them to those who are with Him." (Sahih Muslim)*
