DUA-6

- What is beneficial knowledge ?
 - Not all knowledge is beneficial.
 - Beneficial knowledge is the knowledge that draws a person's heart closer to Allah , and pushes him to increase in righteous actions.

DUA-6

- What is pure Provision(Rizq)?
 - Pure provision is that which is halal and pleasing to Allah.
 - Haram income is something that is detrimental to a person's life and hereafter, and is a cause for non-acceptance of du'aa.
 - Good provision is not only limited to financial income, but beneficial knowledge, remembrance of Allah ,a person's Iman, a pious spouse and offspring, etc. are all forms of rizq.

DUA-6

- We understand from this that not every good deed we do is automatically accepted by Allah. So what are Accepted deeds ?
 - Imam Ibn Kathir said, “Acceptable actions must fulfil two conditions;
 - they must be sincere for the sake of Allah, and
 - must be in accordance with the shari’ah”

DUA-6

- Why beneficial knowledge comes first in this dua?
 - Beneficial knowledge was mentioned first as it is what allows a person to ensure they have good provisions, and acceptable deeds.
 - Ensure your income is halal and any transactions you make are halal so that you can be from those who have good provision
 - Ensure you study the religion properly so that you can perform actions which are in accordance with the shari'ah, and ensure you perform them sincerely for the sake of Allah so that they may be accepted.
