Duas for Hardship and Success

Why do we face trials in this life?

How does du'a work?

Ibn Al-Qayyim defined dua as:

“Asking what is of benefit to the person, and asking the removal of what is harming him, or the repelling of it (before it inflicts him).”

Allah SWT grants us justice against any oppressor, assuring us that the oppressed person's dua is answered, even if the oppressed is a disbeliever! The Prophet SAW mentioned:

“Allah says, ‘Beware of the supplication of the oppressed, even if he is an unbeliever, for there is no barrier between it and Allah.’” - Ahmad
